THE RAREST CARS IN THE WORLD FROM AROUND THE WORLD

The 2015 Concours of Elegance will take place from 4-6 September at the Palace of Holyroodhouse in Edinburgh.

Her Majesty The Queen has graciously granted her permission for the Concours to be held at her official residence in Scotland, uniquely marking the fourth consecutive year this award-winning event has been held at a Royal venue. The Concours of Elegance began at Windsor Castle in 2012, before moving to St James's Palace in 2013, with 2014's event taking place to huge acclaim at Hampton Court Palace.

The Holyroodhouse Concours of Elegance will bring together 60 of the rarest cars from around the world – many of which have never been seen before in the UK. Many of these 60 cars will complete a driving tour of Scotland on 2-3 September, in the days running up to the main Concours event.

AWARDS & TROPHIES

The Concours Steering Committee has yet again selected a stellar line up of historic cars from around the world. This year the competition for a privileged place amongst the 60 was the toughest ever – over 130 suitable examples were put forward for selection. With everything from an 1896 Lutzmann up to a present day hypercar there'll be something for everybody.

A series of awards will be presented, each recognising individual excellence, but the highly coveted 'Best of Show' award, uniquely judged by the Owners themselves, is arguably the most treasured.
